

**Dear Parents,**

**This letter is to inform you of the food items being offered to students with negative balances.**

**- Students will be told @ +\$5.00, that money is needed in their account, which gives them 2 days to get money in, before they reach a negative balance.**

**- Students who reach a negative balance, will be offered a cheese sandwich + milk, & will be charged ala carte for these items. (milk = \$.30 & sandwich = \$.90)**

**- This method will be allowed up to 4 times maximum.**

**- Low balance notices will continue to be e-mailed, sent home with elementary students, & by use of the Black Board Connect system.**

**If there are any questions or concerns, please contact Paul Amundson (533-1260) or myself: Cheryl Hintz (533-1283).**
