Date:

Dear _____,

This letter is to inform you that I will be providing some alternative instructional strategies or interventions with your child, _____. These strategies are being used to help improve your child's academic skills in the area(s) of _____.

Some of these strategies include:

I will continue to monitor your child's progress and share these results with you. You will also be informed if these strategies are working or if additional interventions will be needed. As a parent you are entitled to make a special education referral at any time.

If you have any questions, please contact me at:

Sincerely,
